

Safety Plans and Procedures

- Please bring a face mask and wear it for the entirety of your time on campus. This applies to all adults and to children 2 years of age and older. Only individuals who have been instructed not to wear a face covering by their medical provider are exempt from wearing one. We know that wearing a mask is not comfortable, but by doing so we can serve those around us by seeking to minimize airborne germs.
 - Please practice social distancing. We will be providing clear pathways to seats on the patio. Please honor a 6 feet space between you and all guests.
 - Be prepared for a verbal symptom screening upon entrance to the patio. We will simply be asking if you or anyone in your family is experiencing any COVID-19 symptoms or has a fever.
 - Sanitize your hands before entering the facility. Our ushers will be providing hand sanitizer at the entrance of the foyer. Please clean your hands thoroughly and do your best to refrain from touching your face.
 - Allow the ushers to find you a seat meeting the social distancing requirements. Family units may sit next to one another but must have 3 empty chairs on either side of the family unit.
 - If possible avoid using the bathrooms, but if you must use them please respect the bathroom attendants. They will only be allowing 4 people into the bathroom at a time. They will be wiping down surfacing frequently. Please wash your hands for at least 20 seconds before returning to the sanctuary.
 - At this point, we will only be using the upstairs of the facility. Please do not attempt to go downstairs either by way of the elevator or internal/external stairways. The only open entrance to the facility will be by way of the upper patio.
 - At the end of the service, we will be dismissing you by rows. Please follow the clearly marked pathways to avoid congestion.
 - We ask that you keep moving until you have exited the upper patio so that everyone can be dismissed in a timely manner.
 - Please note that Faith Coffee is still closed. You are welcome to bring your own drink so long as it has a sealable lid. Also, the water fountains will not be turned on. If you need water, please bring your own.
-
